Lake Mary/Orlando

The Edison at Primera is strategically located off of I-4 in the prominent business sector of Lake Mary. The area offers a wide range of amenities including abundant dining options, top-rated school systems, a variety of housing options, proximity to two international airports and an expanding healthcare sector.

Expansions in Lake Mary

The property is adjacent to the new Orlando Health Lake Mary Campus, a comprehensive acute care facility. The project is part of the mixed-use 153 acre, \$750M Lake Wellness and Technology Park.

Seminole County Technology Business Incubation Center (STBIC)

Seminole County is known for its progressive and business friendly environment. The county is home to one of Florida's established incubators, with the Seminole Technology Business Incubation Center (STBIC). The STBIC is a member of the TRDA/NASA network of incubators, a founding member of the Florida Business Incubation Association, and an active participant in the National Business Incubation Association.
